1. **Welcome** – Stephanie Turner, Chair
2. **Review of Minutes:** Motioned to approve: Natalie Dansie 2nd: Kelly Taoalii **The minutes were unanimously approved.**
3. **2022-2023 SSP (Student Success Plan) Projected Funding and Goals** – Mr. Wihongi shared the projected funding for the Student Success Plan for next school year. It is encouraged that this funding have similar goals to the Land Trust funding plan, so the overarching, academic, and school climate goals of the SSP are very similar and mirror the Land Trust plan goals.
 - a. **SOAR Report Overview (Demographic Data last 3 years)** – The Student Outcome Accountability Report is sent to the counseling department annually. Usually it is received in November, but this year it was received 2 weeks ago. It may have been delayed due to Covid/Pandemic hindrances to information gathering by the State. This report shows comparisons over the past three school years for Murray High School. Mr. Wihongi pointed out that there is an error on the graduation rate shown for the 2020-2021 school year. It should show 80.1% for all students rather than the 78.6% currently listed.
4. **Counseling/Principal Corner** – The counseling department is meeting with Jr's and their parents for CCR's now. The Jr's had their ACT testing last week and completed the makeup tests today. This testing was done online for the first time at Murray. It seemed to work out well with very few tech issues and with several advantages such as a timer in the corner of the student's screen, the ability to bookmark skipped questions for easy return access, and simply clicking on their answer rather than having to fill in answer bubbles by hand.

The Aspire+ testing for Sophomores will be on April 14th. In an effort to mirror the ACT as much as possible, that test will be given all on that one day, so Seniors and Juniors will not come to the school building that day.

Other events coming up are: Spring Fling Dance on Saturday, end of term on March 24th, and Spring Break following that.
5. **Next Meeting** – All of the presentation/voting requirements for the SCC for this year have been presented, so the next scheduled meeting, April 19, 2022 will only be necessary if something comes up to be presented for the agenda. As no agenda items are known at this point, the next meeting is scheduled for May 17, 2022.
6. **Motion to Adjourn:** Motioned: Stacey Murdoch 2nd: Stephanie Turner
