Hello Students/Parents and Guardians:

Welcome Back! This is an exciting year because... You are a senior and you will be graduating on June 5, 2025. It will be here before you know it. We cannot wait to see what your next steps will be after high school. As part of this plan for your future, your counselors are hoping to help you and your parents/guardians by meeting with you in small groups so that those next steps are a smooth transition for you. Your **Plan for College and Career Readiness (PCCR) meetings begin Monday, September 9th and will run through Friday, September 13th, 2024.**

We will be continuing conversations about your pursuits after high school by providing you with the requirements, deadlines and opportunities each school has for you and what might be the best fit for you. We will also be reviewing your credits and what you need to graduate from Murray High School.

We want you to schedule your appointment as soon as possible so that you can **CHOOSE** the best session for you. **YOU WILL ONLY CHOOSE ONE SESSION.** Below are the sessions offered and the day/time that works best for you and your family. Appointments can be made beginning **Tuesday, August 27th**, by going to our website: **mhs.murrayschools.org** and from there you will be able to schedule your appointment day and time up until **Tuesday, September 3rd, 2024.**

PLEASE NOTE: If you do not schedule your own appointment during the above dates, an appointment will be scheduled for you with your student.
