**Demetrio Cabanillas**

Parent of an 12th grade student

After having the privilege of serving in the MHS Community Council for the past two years and realizing the importance the Community Council place, I have decided to serve for two more years. I am a former school teacher, retired from Jordan School District . I graduated from Brigham Young University. I served as a USA- track and field Utah Association president for 20 years. My children attended Murray High, they graduated from Utah State University, I'm invested in education, and service to our students must be a first priority.

**Gonzalez Rodriguez**

Parent of an 11th grade student

As a long-time Murray resident, I am deeply invested in our community's schools. My son attended Parkside Elementary School since Kindergarten and is planning to graduate with honors at Murray High School. I'm passionate about contributing to decisions that will positively impact our students. Serving on the council would allow me to help allocate resources effectively and develop plans that support academic success and safety. I bring a strong commitment to ensuring our schools continue to thrive and I'm eager to work collaboratively with other parents and teachers to make a meaningful difference at MHS.

**Nita Tuitupou**

Parent of an 11th grade student

I have two kids that have gone through the Murray Schools since kindergarten. My oldest graduated from MHS in 2019, my youngest is currently at Junior at MHS. I have been on the community council at McMillan Elementary, Hillcrest Junior High, and Murray High School at different times for a total of 14 years. I have an accounting background and am one of the few female General Managers of a new car dealership in Utah. It's been a four years since I've been on a Community Council, I have missed the interaction and the opportunity to assist the students and schools. I would love to be able to help again!

**Stephanie Richter**

I am a mom of 3 students at Murray High School this year. I have served on SCC at McMillan and Murray High. I've ben involved with the PTA in various positions over the years. I want the best for Murray families, students and teachers and enjoy doing what I can to support all of them.

**Ryan Brimley**

Parent of an 12th grade student

I have served two community council terms at Parkside elementary and two at Murray High. With my student being a senior this year, I would like to serve once again to continue helping bring to fruition that which we've been working toward for the last several years. Should I be voted for, I look forward to the coming year on the community council. Thank you.

**Cheree Larson**

I am a mother of 5 children I have been very involved in PTA and community council for the past 15 years. I love serving where I can in our community. I especially love advocating for students with disabilities, increases accessibility and inclusion for understanding students, and improving work condition for teachers and staff.
