ABOUT THE PSAT: The Preliminary SAT, also known as the PSAT/NMSQT® (National Merit Scholarship Qualifying Test), is a practice version of the SAT exam. You can only take the PSAT once per year, and many students take the test in both 10th and 11th grade. If you earn a high score on the PSAT your junior year, you could qualify to receive a National Merit Scholarship—\$180 million dollars in merit scholarships are awarded to students each year. The PSAT is 2 hours and 45 minutes long and tests your skills in reading, writing, and math. Unlike the SAT, the highest score possible on the PSAT is 1520.

You will receive a composite score, two section scores, and a variety of subsection scores. The test itself includes four timed sections: Evidenced Based Reading, Writing and Language, Math (no calculator), and Math (calculator allowed)

Please stop by the counseling center and speak with Amy Knox if you have any questions.

THERE ARE ONLY 40 SPOTS AVAILABLE SO IF YOU ARE INTERESTED, PLEASE GET REGISTERED AS SOON AS POSSIBLE!
