April Davis	Member	X	Cheree Larson	Member	X			
Stephanie Richter	Vice Chair	X	Ryan Brimley	Chair	ABS			

1. Welcome

-SCC Chair, Ryan Brimley

- Meeting started at 3:05pm

2. Review Minutes

[-SCC Minutes 09/24/2024](#)

- The first motion to approve the minutes was made by Mrs. Larson, and Mrs. Tuitupou seconded the motion.

3. Review Digital Citizenship Plan and Needs: [Digital Citizenship Guide](#)

- Mr. Linde went into detail about our digital citizenship guide. He explained that parents have the ability to review the guidelines and that the District Office (DO) must be transparent about the guide.
- Mr. Linde also discussed the importance of having our digital citizenship guide and how the DO uses these guidelines for every school. He mentioned that once students disconnect from our networks, they may have different access when they connect to their home networks or any other network.
- Mr. Jensen explained that even though students may have more accessibility when connecting to their home networks, there are still filters on the Chromebooks.

**Murray High School
School Community Council Agenda
Tuesday, October 15, 2024- 3:00pm**

- Mr. Linde clarified that the same rules apply to staff and teachers: anything they search that is deemed inappropriate will be reported directly to Human Resources.
- Mrs. Richter asked who receives this information, and Mr. Linde explained that it goes to the District Office (DO), where they filter and review it.

4. Data Review and Goals

-October 1 Enrollment

- Total student enrollment for the first 10 days of school is 1,359. This number determines our Full-Time Equivalent (FTE).

-Review Flex Data

- Mr. Linde explained that compared to last year, when we had 55,000 passes, this year we are receiving 10,512

-Review Attendance Data

- Mr. Linde explained that the report presents cumulative data for all the schools (junior highs and elementary schools) in the Murray district.
- He noted that since COVID, attendance continues to decline. Mr. Linde also provided details about the daily attendance percentage, indicating that Friday is the least attended day of the week. He mentioned that he would run these reports at the end of the terms.
- Mr. Linde initiated a discussion about the "U" policy, prompting the committee to ask why we continue to follow it. Mr. Jensen and Mr. Linde explained that it is a board policy, not a school policy. Mr. Jensen further elaborated that the administration assists students trying to address the "U," especially those with full-time jobs and other significant responsibilities outside of school.
- Mrs. Murdock explained that the policy can be particularly challenging for students whose parents cannot call to excuse the "U" due to outside circumstances.
- Mrs. Nita is asking if there is attendance data at the District Office (DO) to determine whether this system is working or not

**Murray High School
School Community Council Agenda
Tuesday, October 15, 2024- 3:00pm**

-Review Current F Data

5. Review of Student Support Plan

- This combines our TSSP and Land Trust plan into one document. It is then sent to the superintendent for review before approval.

6. Field Trip Request

- We have \$15,000.00 allocated for field trips, and all of these will be approved by the School Community Council (SCC) before any field trip is authorized.
- Mr. Beckstrand is requesting \$300.00 to cover the cost of the bus for the Symphonic Band field trip.
- The first motion to approve the \$300.00 for the field trip was made by Mrs. Nita, and Mrs. Murdock seconded the motion.

The meeting was adjourned at 3:55 PM, with the first motion to adjourn made by Mrs. Larson.
